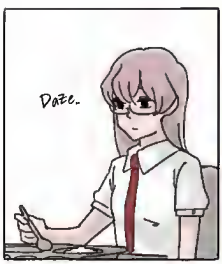
I'm saying that 'cause I don't know
We're not even close, right?

What're you saying.

That's more than enough for me!



She's an interesting girl.
Coolly borrowing money off a total stranger
Getting chased by other students
And even jumping and flying.
That expression was funny.
Let's play again next time.
What?

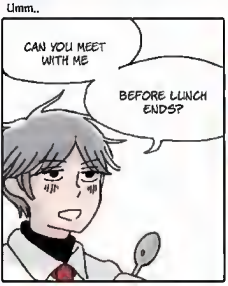
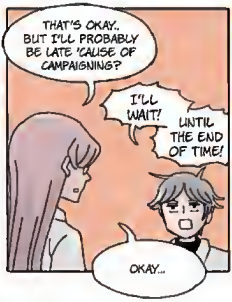
It might
be fun to play with her
tremble

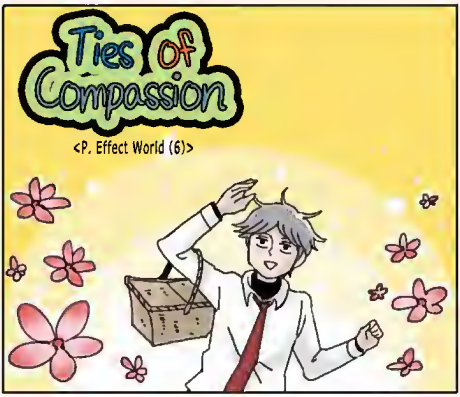
Though you were still pretty

TL note: This is a reference to the Myth of Dangun where a tiger and a bear (gom) must eat only mugwort and garlic in order to become human.

Umm..







Sunjae's basket list:
Homegrown tomatoes and cucumbers,
Fresh grapefruit, apples and oranges,
Lettuce salad sprinkled with lemon juice,
Grape juice and carrot juice (Max 2 refills)
(Option: Mom's pink polka-dot handkerchief.)

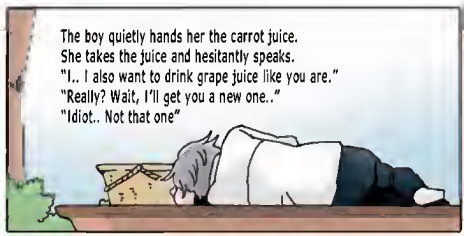
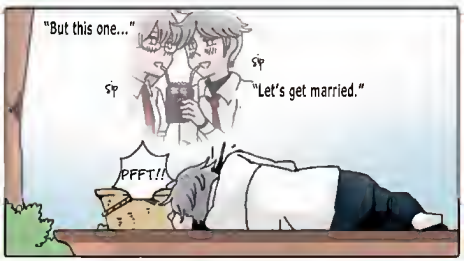
Her eyes are growing deeper.
The boy's reflection shines on the transparent lake.
"Thank you, for preparing such an event for me.."



The boy quietly hands her the carrot juice.
She takes the juice and hesitantly speaks.
"I.. I also want to drink grape juice like you are."
"Really? Wait, I'll get you a new one.."
"Idiot.. Not that one"



"But this one..."
